About food and beverage

- We will offer exceptional food- and drinking experiences over 3 floors of lively bars, lounges and restaurants out of the ordinary. We have great ambitions for Hotel Norge and only the best is good enough. Former Bocuse d'Or Gold winner, Ørjan Johannessen, is The Chef Advisor for our restaurants.
- Johannessen and his team will make sure the food experiences are of the highest quality, combining international tastes with Norwegian produce. We will redefine local traditions and create a new and exciting arena where familiar flavors will shine in new ways.
