JAJA

Delicious food

Our varied menu is inspired by the best of street food from around the world. We mix traditions, culture and flavors into new experiences. As we like to say: Street food served right. The JAJA dishes represent a wide range of flavors prepared in our open kitchen and often on our robata grill. All servings can be enjoyed alone or preferably shared as a social family style dinner, but if you dare to “trust the chef” with our JAJA tasting menu we will send you on a culinary journey around the world 😊.
